- Grantee represents, acknowledges, and agrees that, at Closing, the Property may contain various discarded materials, including, but not limited to, building materials from demolition activities; domestic and industrial trash; tires; automotive parts; used containers which held materials such as paint. antifreeze, gasoline, and other chemical substances; materials painted with lead-based paints or otherwise, wood, concrete, brick, and floorblock; and building materials which may contain asbestoscontaining materials, and roof shingles (these discarded materials are herein collectively referred to as "Debris"). Grantee acknowledges and agrees that Grantee, and not Grantor, shall be solely liable and responsible for such Debris and all matters relating thereto, including the proper management and disposal of such Debris. By way of example, but not limitation, Grantee shall comply with all guidance/policy directives of the New Jersey Department of Environmental Protection ("NJDEP") regarding the recycling/re-use of concrete waste generated by demolition of buildings located on the property. Grantee further represents, acknowledges, and agrees that any and all soil and/or Debris management and surface water and/or groundwater management required or necessary under applicable laws or regulations or because of excavation, demolition, or soil disturbance related to the use. operations, development, excavation, grading, construction, or demolition, at, in, on, or below the Property is the sole obligation and liability of Grantee. Such soil and/or Debris management and surface water and/or groundwater management may include in-place management, excavation, sediment and erosion control, and disposal or other soil and Debris management options which are allowed or required under applicable Environmental Laws. Seller shall waive the requirement that this subparagraph (iii) relating to the Debris be included in any deed, lease or other agreement as set forth above provided that Purchaser delivers to Seller evidence (which shall include photographic evidence of the Property). reasonably acceptable to Seller, that Purchaser has removed all Debris from the Property in accordance with all applicable laws, including, without limitation, all Environmental Laws. Seller shall be entitled to, but not obligated to, audit and conduct its own investigations to confirm such evidence provided by Purchaser. In the event that such audit or investigations indicate that Purchaser has not removed all such Debris from the Property, Seller shall not waive the requirement that this subparagraph (iii) be included in any deed, lease or other agreement and Purchaser shall promptly reimburse Seller for the reasonable costs and expenses incurred by Seller in conducting such audit or investigation.
- (iv) Grantee covenants and agrees that it shall not "treat," "store" or "dispose" of any "hazardous substances," "hazardous wastes" or "toxic substances" as those terms are defined under CERCLA, 42 U.S.C. 9601 et. seq., RCRA, 42 U.S.C. 6901 et. seq., or TSCA, 15 U.S.C. 2601 et. seq., or under similar New Jersey law, statute, or regulation, on, at, or below the Property, and shall maintain generator-only status; provided, however, that Grantee may (A) accumulate such substances or wastes as allowed under applicable Environmental Laws for off-site treatment, off-site storage, or off-site disposal, and (B) use and/or store commercial products on-site which may contain such substances.
- (v) Grantee acknowledges and agrees that the Property may only be used by Grantee, its successors, assigns, and tenants for industrial and commercial uses. Such prohibited uses include, but are not limited to, residential uses, day care centers, schools, hospitals, and long-term care facilities or other similar uses that would typically require cleanup to unrestricted use standards under applicable New Jersey law. Grantee further acknowledges and agrees that any site modifications or redevelopment limitations required at, in, on, or below the Property or modification to building design or construction to accommodate allowable industrial and commercial uses hereunder consistent with Environmental Laws, remedial systems on the Property of any kind, or otherwise, is the sole obligation and liability of Grantee (or the owner of the Property at the time of such activities) and will be conducted at Grantee's sole expense.

- (vi) Grantee acknowledges and agrees that, at Closing, the Property may contain underground process or utility lines or piping, including, without limitation, sanitary or storm sewers and gas, water, electrical, fire protection and septic systems, and any other similar utility lines or piping which may be present at or below the Property (herein collectively referred to as "<u>Utility Lines</u>"). Grantee further acknowledges and agrees that Grantee, and not Grantor, shall be solely liable and responsible for such Utility Lines and all matters relating thereto. Further, Grantee acknowledges and agrees that any and all management, including, but not limited to, maintenance, removal, repair, or associated cleanup of the environment, of or due to any such Utility Lines that may be required or necessary: (a) under applicable Environmental Laws or other laws or regulations, (b) to properly maintain the Property, or (c) because of excavation, demolition, or soil disturbance related to future use, development, or construction at or of the Property, is the sole obligation and liability of Grantee or the owner of the Property at the time of such activities.
- In the event (a) Grantor is notified by United States Environmental Protection Agency (the "USEPA"), the NJDEP, any other local, state or federal agency or governmental entity or any other third party (that has a right or standing under applicable law to compel or seek any action) that Grantee has failed (or Grantor becomes aware of any such failure) to complete any Response Activities (as defined below) with respect to the Property in accordance with the foregoing, the Orders (as defined below) or any applicable law. and (b) Grantor is required by USEPA, NJDEP, any other local, state or federal agency or governmental entity or any other third party (that has a right or standing under the applicable law to compel or seek any action) to take any Response Activities with respect to the Property, and (c) Grantee fails, within sixty (60) days (or such shorter time period as required by USEPA, NJDEP, any other local, state or federal agency or governmental entity or such other third party) after the date Grantee receives a default notice from Grantor or USEPA, NJDEP, or otherwise, to either complete such Response Activities in accordance with this Deed, the Orders or any applicable law, or notify Grantor and USEPA, NJDEP, or other state agency that Grantee is contesting such default notice, Grantor shall be entitled to, but shall not be obligated to, complete such Response Activities at Grantee's sole cost and expense. Notwithstanding the foregoing, if Grantee elects to contest such default notice, Grantee shall promptly provide Grantor with reasonable evidence of the basis for such objection and shall indemnify, defend (with counsel reasonably acceptable to Grantor) and hold Grantor, each affiliate of Grantor, and their respective members, partners, venturers, stockholders, officers, directors, employees, agents, spouses, legal representatives, successors and assigns harmless from and against any and all claims, including without limitation, any and all costs, liability, damages, penalties, causes of action, judgments and expenses, including, without limitation, reasonable attorneys' fees and costs, arising out of or related to Grantee's contest. Grantee shall deliver to Grantor all default notices received by Grantee from USEPA, NJDEP, or any other local, state or federal agency or governmental entity relating to any remediation action with respect to the Property in accordance with this Deed, the Orders or any applicable law. If, following the procedures set forth above, (a) Grantor is required to take such action to cure Grantee's failure as described above, or (b) the USEPA, NJDEP, or any other local, state or federal agency or governmental entity requires Grantor to reimburse USEPA, NJDEP, or any other local, state or federal agency or governmental entity for any amounts relating to Grantee's operations at or remediation of the Property, Grantee shall, within ten (10) business days after receipt of an invoice from Grantor, reimburse Grantor for all costs and expenses or other payments incurred by Grantor, by wire transfer to an account designated by Grantor. Grantor hereby reserves unto itself, its representatives, contractors, and assigns, the right of access
